Additional Parts of the Project:

- ✓ Collecting artifacts from the time period to be set up on presentation day. These can be real objects or printed pictures. A combination of both would be great for the presentation.
- ✓ Photo boards will be assembled, so print out pictures as you research!
- ✓ Also, choose a type of clothing that would be worn during that time to be worn on presentation day. You will need to look like someone from that era!

As a presentation, we will line you up chronologically, with your artifacts and power point so that you can educate others about the historical eras in North Carolina. You will be able to explain the time before, during and after your era! Have Fun!
